

# Good News

*From Darrtown / McGonigle-Millville Charge  
United Methodist Churches  
January / February, 2011*

*Dear Friends,*

As we enter a new year ~ the year of 2011, we really do not know what is ahead for any of us. 2010 is now past. For some it was a good year. For others we are glad to say good-by.

What we will think of the new year depends only partly on what happens to us. The rest is our attitude about the events of 2011. Perhaps this small story will help:

A young couple moves into a new neighborhood...

The next morning while they are eating breakfast, the young woman sees her neighbor hanging the wash outside.

"That laundry is not very clean," she said. "She doesn't know how to wash correctly. Perhaps she needs better laundry soap."

Her husband looked on, but remained silent.

Every time her neighbor would hang her wash to dry, the young woman would make the same comments.

About one month later, the woman was surprised to see a nice clean wash on the line and said to her husband, "Look, she has learned how to wash correctly. I wonder who taught her this."

The husband said, "I got up early this morning and cleaned our windows."

And so it is with life. What we see when watching others depends on the purity of the window through which we look.

How will you see the year of 2011? Use the eyes of faith and love for clarity and purity.

See you in church!

*Rev. Ed*

### **LOST AND FOUND**

A ring has been found and has been lying on the kitchen sink for a long time. If anyone wants more information, call Ida Mae Lemmons at 523-6285.

### **UMW MISSION RECOGNITION**

On December 12, after two years of energetic work on the Bicentennial celebration and history of our church, **Marna Evans** was awarded our special mission recognition for 2010. Her work began over two years ago, collecting data to make it easy for the rest of us to understand our wonderful heritage. Marna brought it all alive for us. Thank you, Marna!

### **UMW CHALLENGE**

The United Methodist Women are challenging the entire congregation to bring one item for the food pantry **EVERY** Sunday. When you grab your tithing envelope, just grab one can of soup, can of tuna, or box of pasta, and drop it in the basket in the fellowship hall. We could fill the basket weekly by giving one item each Sunday morning. Remember, our own abundance should be shared with those less fortunate.

### **THANK YOU**

 **United Methodist Women's Christmas Mission:** Thank you for the donations of sweatpants and underwear for the local elementary school students. The items are much needed and appreciated.

### **OUR CONTINUING MISSION PROJECTS:**

- ❖ **Choice Food Pantry:** Our church will continue to collect canned foods throughout the year for the needy. The donated items will be delivered to the food pantry in Oxford.
- ❖ **Campbell's Labels:** Save only the barcodes and the "Labels for Education" logos.

### **WORLD COMMUNITY DAY - CHRISTIAN WOMEN UNITED**

"Building the Beloved Community," the last of the Building Blocks for 2010, was held in Oxford on November 7<sup>th</sup>. This celebration was to commit ourselves to promote dignity, safety and economic opportunities for all, and reflects equality and spiritual centeredness. It is known that poverty, hunger, homelessness, and all forms of prejudices damage us individually and as a world community. We come together, seeking peace as children of God, seeking to be part of God's community. The gathering was surprisingly high in attendance, and was most beneficial in spirit, fellowship, and God's love. All women of all faiths are invited. There are four celebrations during the year. Next one to be announced.

Thanks to Cathy Richardson, Phyllis Flick, and Etta Jean Crawford.

### **Bible Verse**

"So we have come to know and to believe the love that God has for us. God is Love, and whoever abides in love abides in God, and God abides in him." 1 John 4:16 ESV

### **Poem Submitted by Ann Jones**

*Many years ago, I received this beautiful poem from a dear friend of mine. It was tucked in my Christmas card. She never forgot to send one. This dear friend has gone on to the Father's house, but reading her thoughts in this little poem and others is a constant reminder all year of how fortunate we are to have friends, and how important it is to tell them we care. This poem continues to be a wonderful gift that I will always treasure.*

### **GIFTS OF KINDNESS**

I have a list of folks I love, all written in a book,  
And every year at Christmastime I go and take a look.  
That is when I realize these names are a part,  
Not of the book they are written in,  
But of my very heart.

Each name stands for someone who has crossed my path  
sometime;  
and in that meeting I've become the rhythm or the rhyme.  
And while it sounds fantastic for me to make this claim,  
I really feel I am composed of each remembered name.

While you may not be aware of any special link,  
Just meeting you has shaped my life more than you think.  
For once I've met somebody the years cannot erase,  
The memory of a pleasant work, or a friendly face.

So never think my Christmas cards are just a mere routine  
of names, upon a Christmas list forgotten in between.  
For when I send a Christmas card that is addressed to you,  
It is because you're on that list of folks that I'm indebted to.

For I am but a total of the many folks I've met,  
And you happen to be one of those I prefer not to forget.  
Whether I have known you many years or few,  
In some way you have had a part in shaping things I do.

Every year when Christmas comes, I realize anew,  
The biggest gift life can give is meeting folks like you.  
May the spirit of Christmas that forever endures,  
Leave God's richest blessings in the heart of you and yours.
